BIO

MSc. Almir Xhangolli graduated in 2017 with a Master of Science in Clinical Psychology, at the University of Tirana, where he also completed Bachelor studies in Psychology.

He has an experience of almost 4 years in the public administration in the role of inspector for juveniles in conflict with the law, in the General Directorate of the Probation Service.

During this time, he has engaged in important projects related to juvenile justice in Albania, such as the Albanian-Swedish Juvenile Justice Program from the Swedish International Agency for Development and AIDS Cooperation, as well as the Horizontal Instrument II for Capacity Building for Prevention and Countering Violent Extremism by the Council of Europe.

He was previously engaged as an assistant lecturer in the Department of Psychology of the University of Tirana, in various subjects of the Professional Master in Forensic Psychology, Master of Science in Clinical Psychology and Bachelor in Psychology.

He is currently practicing as a Clinical Psychologist in private practice since 2020.
