

FLORIAN KULLA

DR.

BIO

Dr. Florian Kulla is a child psychologist specializing in therapeutic work with children and parents. Mr. Kulla graduated as a clinical psychologist in 2003. His doctoral studies focused on children with developmental disorders. Mr. Kulla is the author of a number of articles and documents in the field of inclusive education.

He is certified as a psychotherapist by the European Association for Psychotherapy. Mr. Kulla is also certified as a psychodramatist by the Institute of Psychodrama and is currently the head of the Albanian Association for Psychodrama. For several years he has been working as a psychotherapist with children, young people and adults both individually and in groups.

He has worked and works as a consultant in various international organizations to help children, youth and families. He has taught at several universities in the country.

For several years he supervises, mentors and conducts coaching meetings with professionals (psychologists and social workers) who work with groups and communities at risk.
